Assistant Commissioner for Patents Washington, D.C. 20231

SECOND PRELIMINARY AMENDMENT

Dear Sir:

Before the first action in this case, please amend this application as follows.

In The Claims

Please cancel Claims 53-88 and add Claims 89-160 as follows.

1

1

89. A target rissue localization device comprising:

a bioabsorbable element in a pre-delivery state prior to its delivery to a

soft tissue site of a patient; and

said bioabsorbable element being of a material which is in a post-delivery state

at the target tissue site, the bioabsorbable element being remotely visualizable within the 5

6 surrounding soft tissue when in the post-delivery state.

The device according to claim 89 wherein the bioabsorbable element

comprises a therapeutic agent.

91. The device according to claim 90 wherein the therapeutic agent comprises a

chemotherapy agent.

The device according to claim 90 wherein the therapeutic agent comprises a
